Department of Water Resources, River Development & Ganga Rejuvenation**

Notification

New Delhi, the _____, 2021.

G.S.R— In exercise of the powers conferred by the proviso to article 309 of the Constitution and in supersession of the Ministry of Jal Shakti, Department of Water Resources, Central Ground Water Board (Scientific Group 'A' posts) Recruitment Rules, 2020, except as respects things done or omitted to be done before such supersession, the President hereby makes the following rules regulating the methods of recruitment to the posts of Scientist G, Scientist F, Scientist E, Scientist D, Scientist C and Scientist B in the Ministry of Jal Shakti, Department of Water Resources, River Development & Ganga Rejuvenation, Central Ground Water Board, namely:-

- 1. Short title and commencement.**— (1) These rules may be called the Ministry of Jal Shakti, Department of Water Resources, River Development & Ganga Rejuvenation, Central Ground Water Board (Scientific Group 'A' posts) Recruitment Rules, 2021.

(2) They shall come into force on the date of their publication in the Official Gazette.
- 2. Application.**— These rules shall apply to the posts specified in the column (1) of the Schedule annexed to these rules.
- 3. Number of posts, classification and level in Pay Matrix.**— The number of said posts, their classification and level in the pay matrix attached thereto shall be as specified in column (2) to column (4) of the said Schedule.
- 4. Initial Constitution.** — The incumbents in the grade of Scientist E (ie level 13 of 7th CPC) working in the Central Ground Water Board, having completed requisite residency period for in situ promotion from Scientist E to Scientist F, before commencement of these rules, shall be considered for the purpose of their in situ promotion to the next higher grade i.e. Scientist F. It is likely that Annual Work Report will not be available for the residency period in grade of Scientist E; in all such cases APARs for relevant years will be considered for necessary assessment.
- 5. Minimum qualifying period.**— The posts mentioned in column (1) of the table below shall be operated under Flexible Complementing Scheme notified by Department of Personnel and Training vide their office memorandums issued from time to time (hereinafter referred to as the Flexible Complementing Scheme) and the said posts shall carry the following pay matrix and the minimum qualifying period linked to performance in a grade for promotion to the next grade:-

Designation	Level in the Pay Matrix	Minimum Residency period linked to performance in a grade for in-situ promotion to the next grade
(1)	(2)	(3)

(a) Scientist G	Level – 14 (Rs. 144200-218200)	---
(b) Scientist F	Level – 13A (Rs. 131100-216600)	Five years
(c) Scientist E	Level – 13 (Rs. 123100-215900)	Five years
(d) Scientist D	Level – 12 (Rs.78800-209200)	Four years
(e) Scientist C	Level – 11 (Rs.67700-208700)	Four years
(f) Scientist B	Level – 10 (Rs.56100-177500)	Three years

6. Criteria for considering in-situ promotions and procedure for selection or review under the Flexible Complementing Scheme.— The following criteria and procedure for selection or review shall be followed for in-situ promotion of scientists from the grade of Scientist B to Scientist C, Scientist C to Scientist D, Scientist D to Scientist E, Scientist E to Scientist F and Scientist F to Scientist G under the Modified Flexible Complementing Scheme :

(1) Procedure for review or selection:— There shall be two levels of assessment of which the first one shall be at internal level for screening purpose and the next level for assessment purposes.

(i) Cases involving promotion from the grade of Scientist B to Scientist C, Scientist C to Scientist D, Scientist D to Scientist E: (a) The review for promotion under Flexible Complementing Scheme by the Screening Committee shall be done twice in a year-before the 1st January and the 1st July of every year. (b) All candidates who have completed the prescribed period of residency shall be reviewed for promotion by the Assessment Board twice a year namely before the 1st January and the 1st July of every year. (c) Those who have completed or will complete the prescribed period of residency in a post during a period of three months before or three months after the 1st January or the 1st July, as the case may be, shall be considered as on that date for review for promotion to the next higher grade.

(ii) Cases involving promotion from the grade of Scientist E to Scientist F and Scientist F to Scientist G: The review of promotion under Flexible Complementing Scheme shall be done once in a year before 1st January of every year and those officers who have completed or shall complete the prescribed period of residency in a particular post during the period of six months upto 31st December of the year preceding the year in which assessment is to be done and upto 30th June of the year in which the said assessment is to be done, shall be considered for promotion to the next higher grade and the crucial date for determining requisite qualifying period shall be the 1st January of the year in which assessment is to be done.

(iii) Where an eligible officer is on foreign service or study leave in India or abroad, his or her case shall be considered and if he or she has been approved for in-situ promotion under Flexible Complementing Scheme to the next higher grade, the effective date of such promotion shall be from the date of resumption of duty in the Central

Ground Water Board and financial benefit shall accrue from the same date and NO travelling allowance or dearness allowance shall be provided to attend the interview.

(2) Procedure of Screening: —

(i) First level Screening (Internal):— An Internal Screening Committee shall be constituted for evaluation of annual work reports in accordance with the criteria for upgradation under Flexible Complementing Scheme and all eligible officers who meet the benchmark of 'Very Good' for Scientist C and above (i.e. upto Scientist 'G') shall be screened in and the Internal Screening Committee shall report on the scientific content of work done by the officers in the following reporting format and same shall be made available to the Assessment Board:—

Screening Committee Review Report

1. Grading of the Scientific and Technical content of work reported
2. Specific Innovation elements recognized
 - (a)
 - (b)
 - (c)
3. Relative Assessment of the work reported vis-à-vis Peers in the area top 10% 10-33% 33-50% 50-75% bottom 25%
4. Assessment of the work done during the qualifying period
5. Specific highlights of the Scientific and Technical content of the work done
6. Overall grading of the Scientific and Technical work report for the qualifying period top 10% 10-33% 33-50% 50-75% bottom 25%

Signatures of the Members of the Screening Committee

(ii) Second level of Screening (External):— In evaluating suitability of the officers for promotion, the Assessment Board shall take into consideration, their performance and merit and the said Board shall document specifically through one page summary, the specific content of the work done justifying their merit for consideration under Flexible Complementing Scheme and the Assessment Board shall specifically certify that the officers recommended meet with the criteria for in situ upgradation under the Flexible Complementing Scheme.

(iii) Field experience in research and development and experience in implementation of scientific projects is compulsory for in-situ promotion of scientists to higher grades under Flexible Complementing Scheme.

(iv) Scientists doing management or administrative work shall not be considered for promotion under Flexible Complementing Scheme but they shall be given benefit of upgradation under Modified Assured Career Progression scheme notified by Department of Personnel and Training vide their office memorandums issued from time to time (hereinafter referred to as the Modified Assured Career Progression scheme).

(3) Reconsideration of cases not recommended in Screening Process.— Where the Approving Authority of Screening Committee recommendations as specified in the sub-rule (6), on consideration of the recommendations of the Screening Committee, decides that the officer does not qualify for consideration for promotion by the Assessment

Board, his or her case shall be placed before the Screening Committee after one year and in that case, the aforesaid Screening procedure shall be repeated.

(4) Selection Procedure.— (i) All officers who have been screened-in shall be assessed by the Assessment Board as specified in sub-rule (6) and under column (12) of the Schedule and the said Board shall assess the officers who have been recommended by the Screening Committee as approved by the aforesaid Approving Authority, evaluate the accomplishments of each officer in terms of their work and recommend his or her suitability for promotion to the higher grade and the said Board shall also keep in mind, apart from the accomplishments of the officer during the period under consideration, keenness exhibited in the pursuit of his or her profession and ability to take up higher responsibilities including research and development capabilities, managerial or leadership qualities.

(ii) The Assessment Board, while considering each case, may recommend, based on its assessment, any one of the following:—

(a) In-situ promotion of the officer to the next higher grade; or

(b) Status quo – i.e. no change in the grade.

(iii) Review.— In respect of those officers who have been recommended status quo, their cases shall again be considered by the Screening Committee after a period of one year subject to satisfactory performance.

(iv) Approval of the recommendations of the Assessment Board.— The recommendations of the Assessment Board shall be considered by the Approving Authority of Assessment Board's recommendations specified in sub-rule (6) whose decision on each case shall be final.

(v) All officers eligible under the Flexible Complementing Scheme shall be considered for in-situ promotion there under but exceptionally meritorious candidates with all outstanding grading may be granted relaxation in the qualifying period, the relaxation being not more than one year on any single occasion, limited to a maximum of two occasions in their entire career and the assessment under Flexible Complementing Scheme for next grade shall only be three times and thereafter the officers shall be covered under modified Assured Career Progression Scheme and officers who have been granted any grade under Modified Assured Career Progression scheme may be considered for next grade under Flexible Complementing Scheme according to the eligibility and provisions of Flexible Complementing Scheme.

(5) Filling up of vacancies arising out of in-situ promotion or vacation.— An officer promoted carries the post with him and consequently no vacancy is caused at the lower level and where a vacancy is caused due to an officer vacating a post by retirement on superannuation or voluntary retirement or resignation or death, the same shall be filled in at the level of Scientist B in accordance with the roster for direct recruitment or promotion.

(6) Composition of Screening Committee and Assessment Boards and Approving Authorities of their recommendations: —

Sl. No.	Grade to which promotions shall be made.	Composition of Screening Committee. (First level Screening Committee) (Internal)	Approving Authority for First Level Internal Screening Committee.	Composition of Assessment Board. (Second Level Screening Committee) (External)	Approving Authority of Assessment Board's recommendations.

7. (1) The Screening Committee as specified in sub-rule (6) of rule 6 and under column 12 of the Schedule shall meet twice in a year, in cases of promotion to the grade of Scientist C, Scientist D and Scientist E or once in a year, in cases of promotion to the grade of Scientist F and Scientist G, subject to availability of eligible officer(s) and shall screen the performance of all the departmental officers, who have completed the

requisite qualifying period in the respective grades as mentioned in rule 5 to assess their suitability. Field experience of at least 2 years and 5 years respectively in research and development and/or experience in implementation of scientific projects is compulsory for promotion to the grades of Scientist F and Scientist G.

(2) All officers who have been screened-in shall be assessed by the Assessment Board as specified in sub-rule (6) of rule 6 and under column 12 of the Schedule which shall meet twice in a year, in cases of promotion to the grade of Scientist C, Scientist D and Scientist E or once in a year, in cases of promotion to the grade of Scientist F and Scientist G, subject to availability of officer(s) for consideration.

(3) The recommendations of the Assessment Board shall be effective from the date of its approval by the Approving Authority as indicated in sub-rule (6) of rule 6.

(4) In the case of officers not found fit for promotion on the basis of their performance in the Assessment Board, their case shall be placed again before the Screening Committee after one year from the date of assessment by the said Board.

(5) The Flexible Complementing Scheme for in-situ promotion, shall be followed in respect of departmental officers, to the grades of Scientist C, Scientist D, Scientist E, Scientist F and Scientist G and there shall be complete interchangeability without any restriction except that the total number of incumbents shall not exceed the total number of sanctioned posts, which are subject to change depending on workload.

(6) In-situ promotions under the Modified Flexible Complementing Scheme shall be personal to the officer concerned not resulting in specific vacancy in the lower grade on that account and the post being currently held by the concerned officer shall be upgraded for the duration of his or her stay in the promotion post and the post shall revert to the original level once the officer vacates the higher post.

(7) The effective date of promotion of officers those found eligible for promotion under the Flexible Complementing Scheme shall be the date of approval of the promotion proposals by the Approving Authority of Assessment Board's recommendations but retrospective promotion shall not be admissible in any case.

(8) The officers who are away on leave shall be allowed pay in the higher pay scale only from the date they join back and assume the duties of the higher post.

(9) The officers who are away on deputation shall be given promotion with effect from the date they repatriate and join in the Central Ground Water Board.

(10) The officers who fail to appear physically for the assessment for reasons of leave or deputation or foreign service shall not be eligible for promotion.

(11) The officers who have been allowed to take technical resignation with retention of lien shall be promoted only with effect from the date they join back in the Central Ground Water Board.

(12) The Screening Committee shall consider the candidature of only those officers who fulfill all the eligibility conditions as laid down in the aforesaid Schedule and discretion shall not be available with any authority for relaxing the said eligibility conditions for any category of officers for promotions under Flexible Complementing

Scheme and an officer who does not fulfill the requisite eligibility conditions shall not be entitled to be considered for promotion under Flexible Complementing Scheme on the ground that his junior who fulfils the requirement is being considered.

(13) The period spent on deputation or foreign service to another scientific post which helps the officer to acquire scientific experience or field experience and period of study leave or any other leave availed for improving academic accomplishments, maternity leave sanctioned as per Central Civil Services (Leave Rules), 1972, leave of a maximum period of one year sanctioned in continuation of maternity leave as per said leave rules, earned leave sanctioned for a period not exceeding 180 days at a time [the ceiling under Central Civil Services (Leave Rules), 1972] shall count as qualifying period for promotion but periods spent on deputation or foreign service to non-scientific posts and period of leave including leave on medical grounds, extraordinary leave availed on personal grounds shall not count towards qualifying period.

Method of recruitment, age limit and qualifications, etc.— (1) The method of recruitment, age limit, qualifications and other matters relating thereto shall be as specified in column (5) to column (13) of the aforesaid Schedule.

8. Number of Posts in each discipline will be as under:-

Hydrogeology Discipline

(a) The total number of posts in the Hydrogeology discipline shall be 316, which is subject to variation depending on workload. These posts can be in any of the grades of Scientist 'B' or Scientist 'C' or Scientist 'D' or Scientist 'E' or Scientist 'F' or Scientist 'G'. The shortfall occurring in a year in the total strength of 316 officers in the Hydrogeology discipline shall be the vacancies arising in that particular year at the level of Scientist 'B' (Hydrogeology discipline).

Geophysics Discipline

(b) The total number of posts in the Geophysics discipline shall be 31, which is subject to variation depending on workload. These posts can be in any of the grades of Scientist 'B' or Scientist 'C' or Scientist 'D' or Scientist 'E' or Scientist 'F' or Scientist 'G'. The shortfall occurring in a year in the total strength of 31 officers in the Geophysics discipline shall be the vacancies arising in that particular year at the level of Scientist 'B' (Geophysics discipline).

Chemical Discipline

(c) The total number of posts in the Chemical discipline shall be 32, which is subject to variation depending on workload. These posts can be in any of the grades of Scientist 'B' or Scientist 'C' or Scientist 'D' or Scientist 'E' or Scientist 'F' or Scientist 'G'. The shortfall occurring in a year in the total strength of 32 officers in the Chemical discipline shall be the vacancies arising in that particular year at the level of Scientist 'B' (Chemical discipline).

Hydrology Discipline

(d) The total number of posts in the Hydrology discipline shall be 08, which is subject to variation depending on workload. These posts can be in any of the grades of Scientist 'C' or Scientist 'D' or Scientist 'E' or Scientist 'F' or Scientist 'G'. The shortfall occurring in a year in the

total strength of 08 officers in the Hydrology discipline shall be the vacancies arising in that particular year at the level of Scientist 'C' (Hydrology discipline).

Hydrometeorology Discipline

(e) The total number of posts in the Hydrometeorology discipline shall be 09, which is subject to variation depending on workload. These posts can be in any of the grades of Scientist 'B' or Scientist 'C' or Scientist 'D' or Scientist 'E' or Scientist 'F' or Scientist 'G'. The shortfall occurring in a year in the total strength of 09 officers in the Hydrometeorology discipline shall be the vacancies arising in that particular year at the level of Scientist 'B' (Hydrometeorology discipline).

(f) Flexible Complementing Scheme for in situ promotion shall be followed in respect of Departmental Scientists, from the grade of Scientist 'B' to Scientist 'C', Scientist 'C' to Scientist 'D', Scientist 'D' to Scientist 'E', Scientist 'E' to Scientist 'F', Scientist 'F' to Scientist 'G' and there shall be complete interchangeability in these grades without any restriction except the total number of officers taken together in each discipline shall not exceed the total number of sanctioned posts in that discipline, which are subject to change depending on workload.

9. Disqualifications.— No person,—

- (a) who has entered into or contracted a marriage with a person having a spouse living, or
- (b) who, having a spouse living, has entered into or contracted a marriage with any person,

shall be eligible for appointment to the said post:

Provided that the Central Government may, if satisfied that such a marriage is permissible under the personal law applicable to such person and the other party to the marriage and that there are other grounds for so doing, exempt any person from the operation of this rule.

10. Power to relax.— Where the Central Government is of the opinion that it is necessary or expedient so to do, it may, by order, for reasons to be recorded in writing and in consultation with the Union Public Service Commission, relax any of the provisions of these rules with respect to any class or category of persons.

11. Liability for Service in any part of India or outside: Officers appointed to the said posts shall be liable to serve anywhere in India or outside.

12. Functional Deployment: (i) 04 (four) Senior most Scientist 'F' or Scientist 'G' will be functionally deployed as Member (Scientific).

(ii) Next Senior most 18 (eighteen) Scientist 'E' or Scientist 'F' or Scientist 'G' will be functionally deployed as Regional Directors anywhere in India.

13. Saving.— Nothing in these rules shall affect reservation, relaxation of age limit and other concessions required to be provided for the Scheduled Castes, the Scheduled Tribes, ex-servicemen and other special categories of persons in accordance with the orders issued by the Central Government from time to time in this regard.
