

About CoE

Centre of Excellence (CoE) for Groundwater Modelling has been set up under NHP at NDC, CGWB, Faridabad to coordinate the modelling activities with the existing manpower. The modelling work in CGWB would be facilitated by Centre of Excellence at Bhujal Bhawan, Faridabad through four regional hubs which would further coordinate with the regions falling under their zone as given below:

Regional Hub	Location	Regions
North	NR, Lucknow	NWR, Chandigarh/ NWHR, Jammu/ NHR, Dharamshala/ UR, Dehradun/ SUO, Delhi
South	SECR, Chennai	SR, Hyderabad/ SWR, Bangalore/ KR, Trivandrum
East	SER, Bhubaneswar	ER, Kolkata/ MER, Patna/ NER, Guwahati
West	WCR, Ahmedabad	WR, Jaipur/ NCR, Bhopal/ NCCR, Raipur/ CR, Nagpur

The officers identified have been grouped as mentors and associates. Three officers posted at the centre would assist in the establishment of CoE and will further coordinate with the regional offices to monitor the modelling work as assigned in the AAP. The officers who are involved in the ground water modelling work and/or have been trained on ground water modelling at IHE, Delft have also been identified for association with CoE. Duties & responsibilities of mentors and associates at CoE, along with the list of officers identified for carrying out modelling work is attached in the annexure.
